

Welcome to Helsinki 2011!

Helsinki is a modern European cultural city whose urban cosmopolitan lifestyle exists in perfect harmony with nature. Surrounded by the sea and a stunning archipelago, Helsinki offers an excellent location for WSRM 2011. Apart from being safe and efficient, Helsinki is also an exotic and unique city that is easy to reach from all parts of the globe. With over half a million inhabitants it is the capital of the Republic of Finland, and also the leading business and industrial centre of the country.

Submit your abstract now!

We have planned an exiting and up-to-date scientific programme with panels and cross-fire debates on hot subjects as supramicrosurgery/ lymphatic surgery, perforator flaps and allotransplantation, always with a focus on the congress theme 'multidisciplinary approach'.

Call for Abstracts

Deadline for abstract submission is 16 January

Abstract themes

The main theme is *Multidisciplinary Approach*.

2011!

You are invited to submit an abstract for the WSRM 2011 Congress. Much of the success of any congress depends on the quality and range of abstracts. We are interested in giving an opportunity not only for the invited speakers but also for everyone interested in sharing their work and enthusiasm with colleagues.

Please consider submitting an abstract either reporting scientific work, recent innovations, results or case studies within the scope of the Congress.

Abstracts must be submitted on the Internet; www.wsrn2011.org using the on-line submission.

[TECHNICAL INSTRUCTIONS FOR SUBMITTING ABSTRACTS](#)

Sailing Cruise

Other themes are:

1. Allotransplantation
2. Brachial plexus
